CONCORDIA INTERNATIONAL COMPANY LIMITED

Since 1994

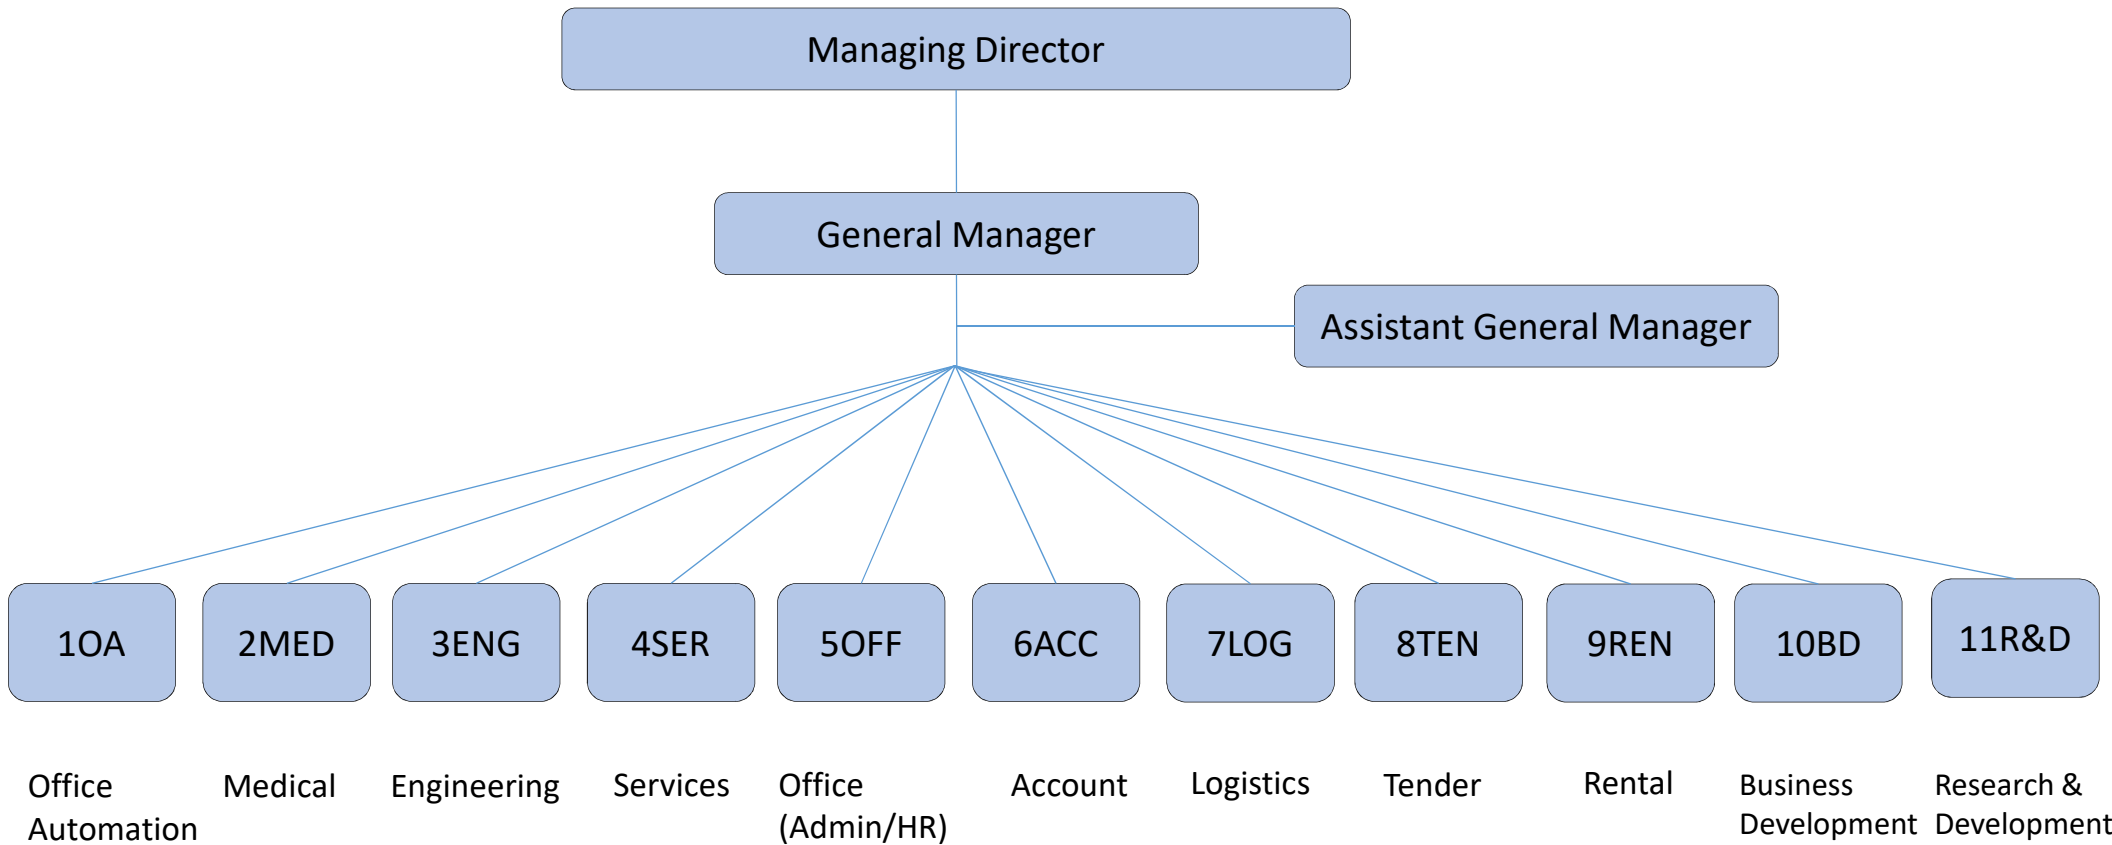

**WE (CONCORDIA) WOULD LIKE TO SAY- THANK YOU FOR
your giving valuable time to introduce our company.**

Business Focus

- Vision
 - To become the most innovated market leader in engineering survey industries.
- Mission
 - Mission is simple, to help grow your business.

Company Organization

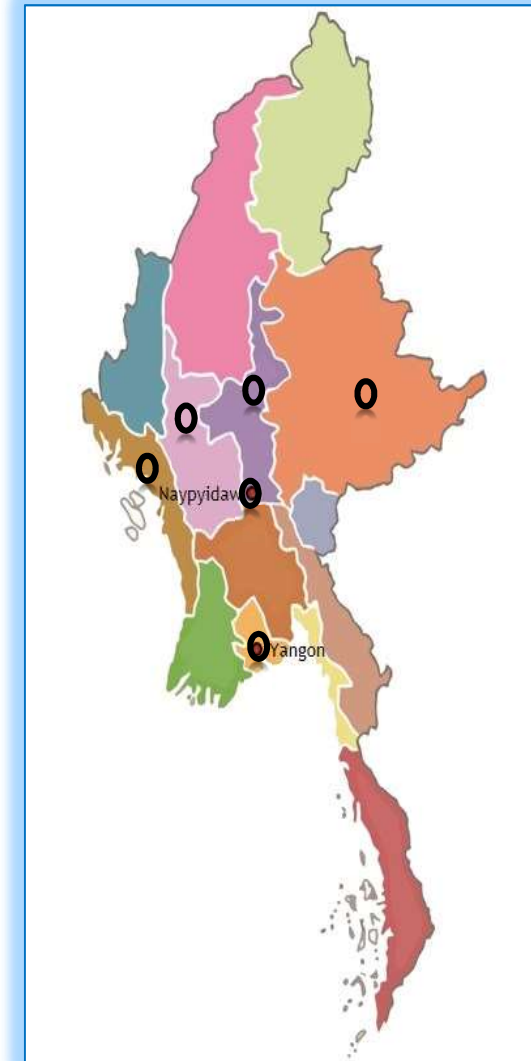

Introduction

Concordia International Limited, we first incorporated in Myanmar at 1994 to provide sales of Engineering & Medical Equipment, Material Testing Equipment, Environmental Testing Equipment, Laboratory Equipment, Office Automation Equipment with 500 employees. The main activities are developed into import, distribution, technical support, after sales service and maintenance of these products in various specialties in Myanmar as following area ;

Head Office : Yangon
Branch Office : Mandalay
Nay Pyi Taw
Taung Gyi
Magway

<https://www.concordiamyanmar.com/>

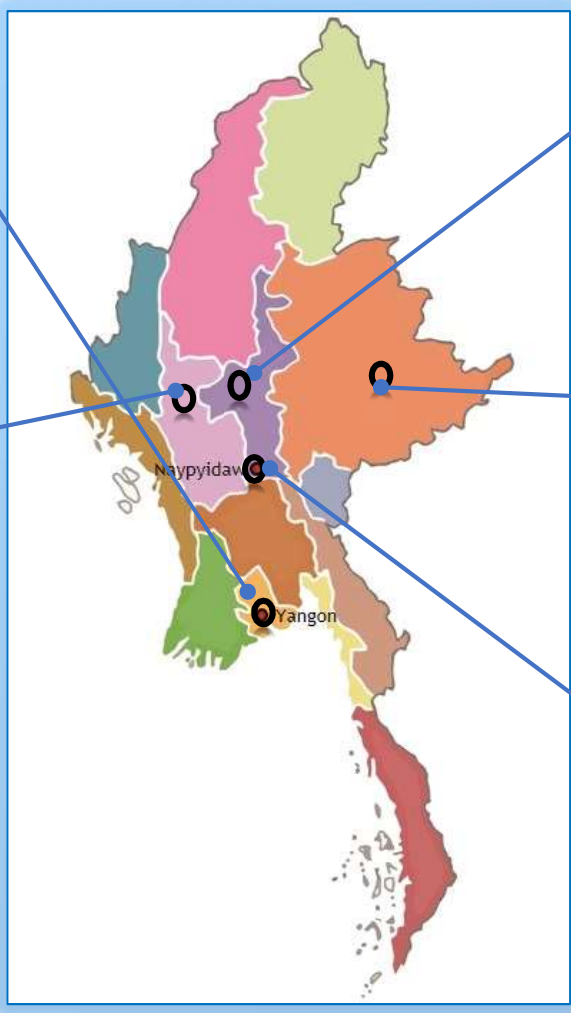

★ Location Map of Main Office and Branch Offices

#Head Office : Bldg-11, (MICT Park Compound) Haling University Campus, Haling Township, Yangon.

#Magwe Office : No.67/D, Kantharyar Ward, No.1 BEHS Road, Magwe.

#Mandalay Office : 27th Street, Betw 73rd and 74th street, Chan Aye Tharzan Township, Mandalay.

#Taung Gyi Office : No.38/J, Hnin Si Road, U Gyi Khann Ward, Taung Gyi, Shan.

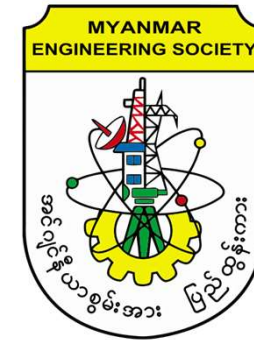

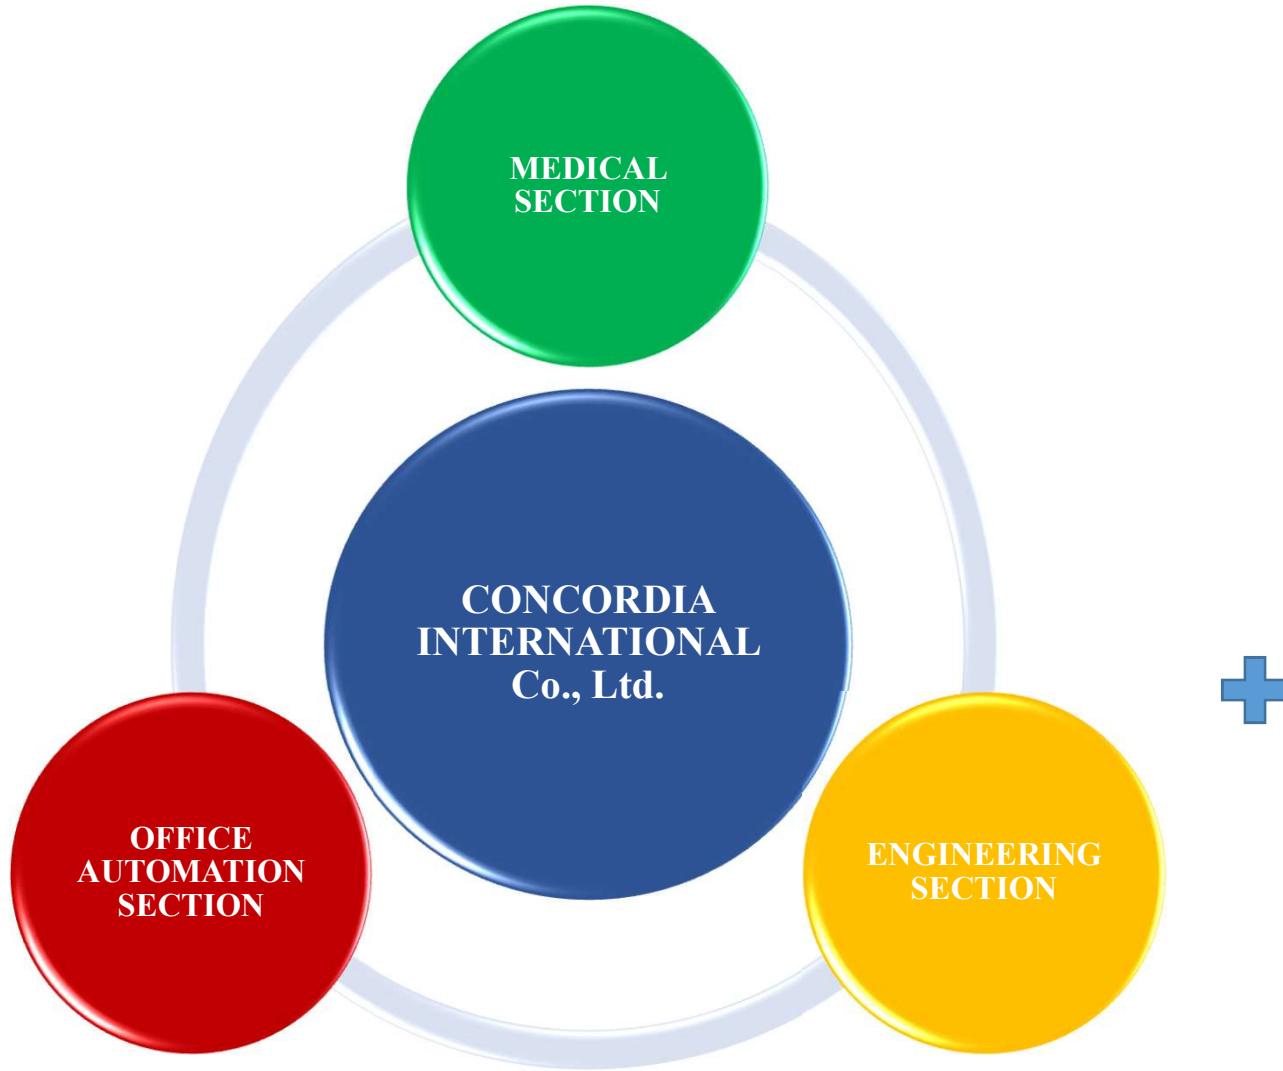

#Nay Pyi Taw Office : No.144, Thiri Yadanar Shopping Complex, Nay Pyi Taw.

OVERVIEW OF CONCORDIA

- 1) **Concrete & Rebar Testing**
- 2) **Soil Investigation & Water Testing**

- **Office Automation Department, Fuji Xerox was established in January 2003 as authorized distributor in Myanmar.**
- **We are distributed**
"Digital Color Press Machine" for color press business,
"Multifunction Graphic Color Laser Copier" for graphic color shops,
"Multifunction Color Laser Copier" for office automation,
"High Speed Scanner" for document companies and organization,
"Fuji Xerox Docuworks (Document Management Software)" for paperless office and
"Colour and Black & White Laser Printer" into the whole Myanmar region.

**MEDICAL
SECTION**

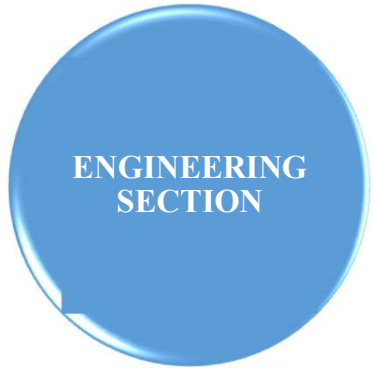

Medical Products

- 1. Imaging Products-(Ultrasound)
- 2. Surgical Operation Theater and Intensive Care Products
- 3. Eye Care Products
- 4. Medical Laboratory Products
- 5. Consumable Products.

Subject: Letter of Award (100 Km topographic survey in PSC- C1)

Dear Soe Win Nyunt,

BGP GEOPHYSICAL MYANMAR LIMITED, a company incorporated in China having an office at Noll, Rose Garden Housing, 27 Quarter, North Dagon Township, Yangon, Myanmar (hereinafter called "the Employer") would like to award your company to perform the topographic survey service in PSC – C1 block for our Indaw 3D seismic acquisition project at the following conditions:

1. The service should be performed as per the BGP's specification and the industry standard.
2. The agreed Km unit rates you quoted include commercial tax.
3. The confirmed service program is 100 kilometers survey lines. At each beginning of month, you should invoice the completed km in the previous month confirmed by our party chief. The completed survey in that month will be paid in 7 working days upon the receipt of the invoice.
4. An agreement should be prepared and signed in 10 days from this letter date.
5. You are requested to commence to mobile your personnel and equipment to the site in 5 days. Should any delay be occurred, we are entitled to cancel this award.
6. You are requested to send back your acceptance signed by your authorized person to this LOA at no later than 13 March 2020.
7. The operations details could be discussed between you and our party chief.

Sincerely,

Signature: 
 Name: Bai Yushan
