CONCORDIA PUBLIC COMPANY LIMITED

PRESS RELEASE | 30 OCTOBER 2026

Concordia Receives Approval for Listing on the Main Board of Yangon Stock Exchange

Yangon, Myanmar, 28 October 2026 — Concordia Public Company Limited (CONPC) ("Concordia" or the "Company") announces that it has received approval for listing on the Main Board of the Yangon Stock Exchange ("YSX"). The approval marks a significant milestone in Concordia's development from an engineering business established in 1993 into a diversified provider of equipment, technology and technical services in Myanmar.

The relevant information such as the listing date (commencement date of share trading) and base share price will be announced separately following final regulatory confirmations and completion of the remaining listing arrangements.

"Receiving approval for the YSX Main Board is a proud milestone for the entire Concordia family," said **Dr. Than Win, Chairman of Concordia**. "For over three decades, our growth has been anchored in trusted partnerships, technical reliability, and an unwavering commitment to Myanmar's essential sectors. As we enter the capital market, we look forward to welcoming new shareholders and deepening our contribution to the country's economic development."

For Concordia, the proposed listing represents a new stage of corporate development: broadening shareholder participation, strengthening accountability and creating a platform to support long-term growth. The Company aims to build on its operating experience and regional presence while deepening the confidence of customers, business partners and investors.

Further information about Concordia and the listing can be found on the YSX website: https://ysx-mm.com/
